Docket No. BIOG-20121

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

The present Amendment is in response to the telephone restriction requirement issued by the Examiner on November 19, 1993. Submitted herewith in support of the present Amendment is Rule 132 Declarations by Dr. William O. Dawson and by Dr. Laurence K. Grill that were previously submitted in U.S. Serial No. 07/739,143 in conjunction with an Amendment filed November 10, 1993. Also submitted herewith is Goldbach, New Aspects Of Positive-Strand RNA Viruses (M. Brinton & F. Heinz, ed.), American Society for Microbiology, Washington, D.C. pp.3-11 (1990) [EXHIBIT 1], R. E. F. Matthews, Plant Virology, 3rd Edition, Academic Press, Inc., San Diego p.180 (1991) [EXHIBIT 2] and Kumagai, et al., Proc. Natl. Acad. Sci. (1993) 90:427-430 [EXHIBIT 3].
